Registration of Interest (Pending LEAD TFBM Approval) Analytica Vietnam 2025

SECC, Ho Chi Minh City, Vietnam 2 – 4 April 2025 Closing Date: First come first served

Company Profile

Total amount is before reimbursement of LEAD TFBM's approved funds in which registration and administrative charges to ASME are not included in the claims. Reimbursement will be made after disbursement from Enterprise Singapore. Each company is eligible for LEAD IFM support up to a maximum of 36sqm and reimbursement schemes does not support additional furniture orders beyond the standard package items unless stated otherwise. Please note that Enterprise Singapore reserves the right to verify information provided by the companies. Eligibility and subsidy reimbursement of individual companies is subject to final approval by Enterprise Singapore upon submission of LEAD IFM claims by ASME after the exhibition.

LEAD Trade Fairs Business Mission (TFBM) & Double Tax Deduction (DTD) Scheme

NOTE: This activity is still pending for LEAD Trade Fairs and Business Mission (TFBM)'s approval, an initiative by Enterprise Singapore (ESG). ASME will inform company in writing upon approval.

LEAD TFBM

LEADTFBM is not a direct subsidy for expenses incurred by the participating companies and is intended to offset the bona fide eligible costs (space rental & standard stand packages) paid by ASME to 3rd party suppliers in organising the activity. It supports up to 70% of eligible expenses for new companies and up to 50% for repeated companies (more than 3 times in a single show) incurred by ASME for organising the activity. Participating fees collected under the Exhibition Package from participating companies shall not be misappropriated by ASME. ASME is responsible for all expenses related to the activity and will seek reimbursement for eligible expenses from Enterprise Singapore on behalf of participating companies. Enterprise Singapore will not be responsible to the participating companies in the event that ASME defaults in making payment to the participating companies.

DTD

Companies can also claim DTD for eligible expenses not covered by LEAD TFBM. Expenses for travel and accommodation costs for up to 2 representatives per participating company. For more details, please refer to Enterprise Singapore websites <a href="https://example.com/here-block-new-base-bl

Role of ASME

The role of ASME is to administer and facilitate LEAD TFBM. ASME shall not be liable or responsible for any costs, losses, claims, proceedings, demands, expenses and liabilities of whatsoever nature arising as a result of, or in connection with, any failure of the appointed exhibitor to observe their obligations under any contract or any laws and regulations under any jurisdiction.

The acceptance as an exhibitor is issued in the form of written confirmation giving details of the Exhibition Package. This constitutes to a Participation Form endorsed between exhibitor and ASME which is legally binding. The Participation Form will be valid for the period of time specified.

Payment Terms

Upon validity of this Participation Form, ASME will proceed to reserve exhibition space with the show organiser. The participating companies are required to make payment to ASME according to the payment schemes: 50% of full amount and 100% of the registration fee are payable to ASME upon receipt of the invoice. The standard credit term for the first payment is **30 days**.

Full payment shall be made at least <u>120 days</u> before the commencement of the trade fair. Late payments are subjected to penalties of up to 5% of the balance amount which will be offset against the final reimbursement. Cheques should be crossed and payable to "ASME". In the event that payment is made by remittance mode, bank charges are to be bome by applicant

Cancellation Policy

All cancellations or replacements are to be informed in writing, signed and endorsed by the authorised party and subjected to approval by ASME. If the exhibitor, although registered and accepted, at any point in time does not participate or withdraws the participation for any reason whatsoever, ASME is entitled to allocate the stand to another interested company and exhibitors are required to make payment for the administrative charges due to ASME. If the exhibitor notifies the organiser of his withdrawal, and ASME is unable to reallocate the stand, the Exhibitor will be liable for all or part of the cost stated in the Participation Form overleaf as set out below:

More than 4 months prior to exhibition: 50% participation cost + full admin fee Less than 4 months prior to exhibition: 100% participation cost + full admin fee

This scale of charges will apply only from the date ASME receives written notice by letter, email or fax and eligibility to claim under LEAD TFBM shall be compromised. In addition to this scale, the exhibitor is fully liable for the whole stand rental, construction costs and any specific cost incurred on his/her behalf by ASME. The obligation of ASME to limit avoidable consequences is not prejudiced thereby.

In the event of unforeseen circumstances, ASME can alter the terms or cancel the participation of the Singapore Pavilion before the closing date at its sole discretion. In such circumstances, ASME will refund full amount to the participating company and all exhibitors are required to comply with the exhibition's terms and conditions stipulated by the Organiser.

Note that the show that is still pending LEAD TFBM grant approval. However, this interest form shall be taken as a formal agreement upon grant approval. In the event that LEAD TFBM grant is not approved, ASME has to withdraw the participation of Singapore Pavilion and this form will be deemed as void. ASME will then inform companies in writing and companies can still choose to participate as an individual exhibitor and still be able to utilized DTD Scheme administered by LEAD TFBM.
